Re: Docket No. 2009-489-E

I am a Senior Citizen. I was born November 11, 1919. I am ninety (90) years of age. I receive Social Security benefits. This year I did not receive a Cost of Living increase, so why does SCE&G think they should get a huge increase in their rates?

My daughter and I share our home together. She is also a Senior Citizen. We share all expenses equally. If SCE&G is granted this rate increase, this will lower our living standard.

On behalf of all of our Citizens, please do not allow this rate increase.

Yours truly,

Lillian M. Roberson
